

Ancestral Power - Power of the Ancestors

Power of the Ancestors:
Energy, strength, power, sense of belonging, connectedness, security, love, primal trust, and a balanced vigor.

Legacy:
The power of the ancestors is passed down to the descendants.

Receiving:
One obtains the power of the ancestors when the ancestors are seen/ felt and honored.

System law violations: ⚡
The energy and strength, akin to the power of the ancestors, diminishes as pain, grief, fear, and anger arise.

Legacy:
The diminished ancestral power (green) and the injured foundational feelings such as pain, grief, fear, and anger (frozen energy - red) are passed down to the descendants.

Consequences of Injuries - too hard & too soft and how couples find each other
