

Communication Model by Dr. Dieter Bischof

System Laws further developed by Dr. Dieter Bischof

1. **Belonging (no exclusion)**
 2. **Recognition, appreciation, respect**
 3. **Balance giving and taking**
 4. **Earlier take precedence over later**
 5. **Give priority to higher responsibility / higher involvement**
 6. **Prioritize more competence / more knowledge**
 7. **New system has priority over old system**
 8. **The overall system before individual or sub-system**
 9. **Express and acknowledge what is taking place**
 10. **Create balance**
1. when intending to reverse the order (4 – 6)
 2. to heal a system law violation
